GOOD PEOPLE UNITY GALA

2020 Unity Gala will truly be an extraordinary event and experience unlike no other.

[WINDSOR, ONTARIO] *Do you have your golden ticket yet?* Good People United Against Racism will host its 2nd Annual Good People Unity Gala on the 29th of February 2020, to raise awareness and show support for the fight against racism and intolerance. The event will be held at Caesar Palace Windsor Augustus Ballroom located at 377 Riverside Dr. E, Windsor ON. “The Unity Gala is an opportunity for good people from all ethnic groups, religious backgrounds, organizations, unions and the entire spectrum of movements for social and economic justice to come together and memorialize an evening dedicated to ending racism” said Marc Taylor one of the gala organizers.

This year, we are raising funds to commemorate and celebrate in 2021 the 25 Anniversary of Black History Month in Canada. We are also presenting fifteen (17) awards to individuals, organizations and businesses who have made exceptional contributions to the fight against racism through their involvement and leadership in the community.

Our theme for 2020, “Good People United Against Racism,” not only highlights the challenges Black & Brown people still face today but also the solution to ending racism. We believe that a big part of fighting racism starts with good people coming together, standing up and speaking out against it.

Good People United is an ad-hoc organization committed to promoting unity, celebrating racial and ethnocultural diversity, and addressing issues of racial discrimination and intolerance. We are calling upon you to join us to create a better future for all our children.

General information about Good People United and other Black History Month events can be obtained from our website **www.goodpeopleunited.com**.
